Managing Staff Records

The Staff Records section is where you find and record staff details on CoolCare4. As well as current staff member's records you can also access the records for any leavers should you require it. Within the Staff File you can record various types of data which we will cover in this guide.

Navigating to Staff Records

To get to the Staff Records section please follow the below steps:

- Once you have logged into CoolCare4 click on the Staff button on the left-hand side of the screen.
- Then click Staff Records.

- Click Add Extra Position
- Choose position and add an effective date

Adding New Contract

If a staff member changes their contracted hours or changes their main position you will need to insert a new position onto their record. If there is a change in their contracted hours you must still insert a new position with the new hours. Changes in their contract will affect their holiday entitlement if the contacted hours have changed. Follow the steps below to insert a new contract.

- In the Positions and Hours page click Insert
- Select the Position from the dropdown box
- Enter the Date Effective
- If they are a Bank Staff member tick the Bank Staff Position box
- Enter their contracted hours in the Hours Per Week box
- Enter their Holiday Entitlement (this is in days)
- If their Payroll number has changed update it
- Click Save

When a new contract has been inserted all previous contracts will be locked down and unable to be edited.

If you need to correct an error on the last position entered **DO NOT** insert a new contract. Click on the contract that needs updating in the list and make the amendments required and then save the record.

Extra Positions

If you have staff members who can work and extra position this can be recorded and assigned to shifts in CoolCare4. A date limit can be entered on the positions that they can work, this will allow them to be assigned to an empty shift in the Rota or inserted onto a Timesheet within this date range only. If a date range is entered in here and you try to fill an empty shift in the Rota outside of the date range the staff member will not be on the list of staff members available to cover the shift. ***See Rota and Timesheet guides for more details**

Pool Workers

If a staff member is a Pool worker who is available to work at other homes this needs to be entered as an Extra Position at the Homes they are able to work at regardless of whether it is their Main Position or not.

Managing Appraisals and Supervisions

In CoolCare4 Appraisals and Supervisions are set to require renewal after a certain amount of time has passed, this is set in the System Configuration. You can record Appraisals and Supervisions and the completion date will automatically calculate when the next one is due. All the Appraisals and Supervisions created are stored on the Staff Record and can be viewed whenever required.

- Open Staff Member's record
- Click on the H.R. drop down on the top bar
- Click Appraisals & Supervisions

Recording Appraisals and Supervisions

- Open the Appraisals and Supervised Sessions page by following the navigation above
- Click Insert
- Select the type from the drop-down box
- Click in the Date Complete box and select the correct date from the calendar
- Click the Allocated Supervisor button
- Select the Supervisor from the list
- Tick the appropriate boxes
- Fill out any details of the Appraisal or Supervision
- Click Save

Monitoring Appraisals and Supervisions Dashboard Widget

There is a Dashboard Widget that allows you to easily monitor your Appraisals and Supervisions, there are three flags for the Appraisals and Supervisions, Overdue, Due Soon and Due Today. To use this Widget it will need to be selected on their user account which is done in the Manage Users section ***See Getting Set Up Guide for more information***

The Dashboard Widgets are located on the Dashboard screen, this is the first screen you will see when logging onto CoolCare4. To get back to it at any time just click the Dashboard button on the left hand bar, it is the top option above Care Home.

Timesheets

The timesheets on CoolCare4 are where all clocking in times are recorded and shifts are saved, if deductions are set up on the Staff Position then the hours are deducted from the shifts created here. Each Shift is colour coordinated and there is a guide to these colours along the top of the Timesheet.

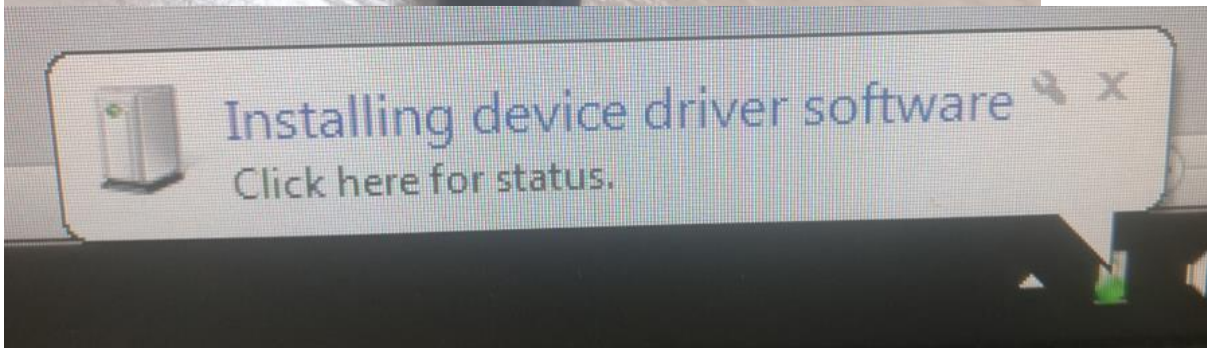

For more information see the Managing Your Timesheets guide

Assigning iButtons

An iButton is the device used by the staff members to clock in and out using the clocking in machine you have in your care home. This iButton must be assigned to them in their Staff Record, follow the steps below to do this.

- You will need to get an iButton that is not currently assigned to a staff member and the iButton Keyboard
- Plug the iButton Keyboard into your computer via USB.

Please Note: if this is the first time plugging it into your computer it will take a couple of minutes to install the driver.

- Navigate to the Staff Member's record
- Once in the Staff Record click on the T&A dropdown on the top bar
- Click iButton Settings
- Click into the iButton Number text box
- Touch the iButton to the sensor on the iButton Keyboard
- If successful you will see an alphanumerical code appear in the text box.
- Click save

Handy Hint: The iButton number should be no longer than 16 characters long, if it is longer then it may have double scanned. Simply delete everything in the text box and rescan it.
